

PUPIL PREMIUM STATEMENT 2013/14

2013/14 Allocation

Pupil Premium – Ever 6	20 children	£18,000
Pupil premium – Service Children	12 children	£ 3,600
Pupil Premium – Looked After Children	1 child	£ 300

Usage Summary

Following consultation with the Sutton Trust teaching and Learning Toolkit, the Pupil premium will be utilised in Bardney CofE & Methodist Primary School in the following ways:

Reducing Class Sizes and small Intervention Groups (incorporating Feedback, Meta-cognition, Early Years Intervention, One-to-one, Phonics – Staffing) (£10,307)

This amount is being used to enable the school to remain a 5 class facility, ensuring that all 33 pupils are in smaller classes throughout the school (24 or under in Foundation Stage and Key Stage 1; 26 or under in Key Stage 2). This funding is also being used to provide a Teaching Assistant within each classroom and also smaller Intervention Groups for pupil sin each class as required. Smaller classes and higher staffing levels ensure that pupils receive more individual tuition, One to One tuition, individual feedback and Early Years/Phonics Intervention, all of which have been found (by the Sutton Trust-EEF teaching and Learning Toolkit) to accelerate learning.

Creation of small Group Working Areas throughout the school (£3,168)

This amount has been used to create a Group Working area for each class to enable all 33 pupils to participate in small Intervention Groups (max of 8 pupils per group at any time) with a TA to accelerate learning thereby ‘narrowing the gap’ with their peers.

IT equipment for the above Group Working Areas (£3,330)

This amount has been used to provide laptops, projectors, white boards and touch screen monitors for the above small Group Working areas. Availability of these facilities enables all 33 pupils to access the same facilities within their small groups that their peers are using in the classroom environment.

Key Stage 2 Residential 2014 (£594)

This amount will be used to support 6 pupils attending the Key Stage 2 Residential to the Horstead Centre, Norfolk in March 2014. Attendance increases pupils’ self-confidence and enables pupils to access activities that they would not usually encounter, thereby enriching their experience.

Uniform (£230)

This amount has been used to provide uniform items (e.g. trousers, sweatshirts, dresses, shirts and PE Kit) for a number of eligible pupils. Ensuring that Ever 6 pupils are indistinguishable from their peers ensures that these pupils’ self-esteem is maintained within the school environment.

Raising Boys Achievement Training Course (£218)

Attendance at this training course by a member of the Senior Leadership Team brought critical learning into this school centred on a group of eligible boys whose attainment had been a cause for concern. The knowledge gained by attendance has had a direct beneficial effect on the learning of this group of boys.

Pantomime 2013 (£152)

This amount has been used to support all 33 pupils attending the 2013 Christmas Pantomime Trip. Attendance enables pupils to access activities that they would not usually encounter, thereby enriching their experience.

Pupil Attainment

Our Key Stage 2 results show that children eligible for FSM do well in our school.

Key Stage 2 2013

Combined L4 English and Maths	100%
Maths L4+	100%
English L4+	100%
2 Levels progress from Key Stag 1	100%

Combined APS	33.8 (7.1 above National FSM)
Reading APS	33.0 (6.1 above National FSM)
Writing APS	30.0 (4.1 above National FSM)
Maths APS	36.0 (9.0 above National FSM)

Progress during School Year 2013/14 (Sept/Dec)

Eligible pupils have made the following progress so far this School Year:

100% of eligible pupils have made at least satisfactory progress in Reading, Writing and Maths.

73% have made at least good progress in Reading.

82% have made at least good progress in Writing.

82% have made at least good progress in Maths.
